INTERNATIONAL SCIENTIFIC AND PRACTICAL CONFERENCE

"Digital transformation in the educational process and applied software"
June 9, 2022.

Kyzylorda, Kazakhstan

INFORMATION LETTER

The Korkyt Ata Kyzylorda University within the framework of the "ACeSYRI" project "Advanced Center for PhD Students and Young Researchers in Informatics" of the ERASMUS+ program of the European Union (610166-EPP-1-2019-1-SK-EPPK2-CBHE-JP) will conduct an International scientific and practical conference entitled "Digital transformation in the educational process and applied software" on June 9, 2022.

Participants: Partner institutions-members of the Consortium of the "ACeSYRI" project, teaching staff, PhD doctoral and master students, bachelor students of universities of Kazakhstan and the CIS.

The purpose of the conference is to develop international cooperation with the Kazakhstan, CIS and European Union(EU) universities, as well as to exchange experience and methodologies in the field of science with foreign colleagues from near and far abroad. The conference aims to find information technology researches that can contribute to all industries.

Authors can submit their scientific articles in the following areas to the conference:

1. Mathematical modeling and software of information, technical and economic systems

2. Technological innovations in the context of digital transformation in scientific, natural science activities and production

3. System programming and Software engineering

4. «Digital Age: New in teaching methodology and practice»

Participation in the conference, publication of articles and issuance of a certificate are free of charge.

The reports will beissued after the conference.The best papers will be published in the University's "Korkyt Ata Kyzylorda University Bulletin"journal. Working languages of the conference areKazakh, Russian and English. In order to be included in the conference program, a participant must fill in the registration form with the title of the report (article) and send it in electronic form to the organizing committee by June 8, 2022.
