

The International Relations Department of Korkyt Ata Kyzylorda University invites students to participate in the following scholarship programs:

Scholarship Program for Participation in a Summer Internship in Germany

The research institute in Dresden, Germany, invites master's students in natural sciences and related disciplines to take part in a summer internship. Specialists at the research center will assist with your projects and provide recommendations to improve your skills. The host organization will cover accommodation, local transportation, and insurance expenses, as well as provide a monthly stipend.

Deadline: February 23, 2025

Details available at: <https://training.vbc.ac.at/summer-school/>
